## **2017 Community Stewardship Grant**

The Clean Water Program is inviting grant applications for up to \$5,000 to encourage grassroots community action that prevents stormwater pollution and enhances the health of local watersheds, creeks, and the San Francisco Bay.

### **WHO CAN APPLY?**

- ◆ Teachers and Student Groups
- ◆ Community Groups
- ◆ Youth Organizations
- ◆ Homeowners Associations
- ◆ Youth organizations
- ◆ Homeowner associations
- ◆ Non-Profit Organizations
- ◆ Environmental Groups

P

### **PROJECTS ELIGIBLE FOR FUNDING**

The Community Stewardship Grants provide funds for projects in Alameda County or within an Alameda County watershed that are aimed at stormwater pollution prevention and contain a community/public outreach element. Sample projects include (but are not limited to):

- ◆ Litter reduction projects
- ◆ Outreach and education projects with a stormwater pollution prevention message such as litter reduction, household hazardous waste disposal, integrated pest management, etc.
- ◆ Development and distribution of outreach materials, e.g., videos, newsletters, websites, brochures, guidebooks, educational events, trainings, etc.
- ◆ Art projects
- ◆ Creekside restoration/re-vegetation projects, creek cleanups and enhancement projects
- ◆ Stormwater detention projects such as rain gardens, cisterns and bioswales
- ◆ Wildlife habitat projects

#### **HOW TO APPLY**

An application packet may be downloaded from the web after **February 22, 2017** at

[www.cleanwaterprogram.org/grants](http://www.cleanwaterprogram.org/grants)

or contact Amy Evans at the Alameda County Resource Conservation District

(925) 453-3862 or [amy.evans@acrcd.org](mailto:amy.evans@acrcd.org)

**Applications must be submitted by email by April 12, 2017**
